PRODUCT DATA

Knob and Lever Latchset

- For residential use. Not recommended for commercial use.
- 2 3/8" (standard) and 2 3/4" backsets available.
- Supplied for both 1 3/8" and 1 3/4" door thickness as standard.
- All lever latchsets meet ADA accessibility requirements. 

Each set consists of solid brass knobs or levers, thru-bolted rose mechanism, finished rose covers, latch, strike, faceplate, spindle, all necessary mounting screws, installation template and instructions.

About Our Tubular Latch

- 55° rotation to retract latch. (28° rotation latch available. Refer to Prodigy Latchset Price List.)
- Tough, non-rusting materials used throughout. Face covers and strikes are solid brass. No.014 "Full Lip" strike supplied as standard or No.013 "T" strike as an option. Specify when ordering.
- For almost five decades, OMNIA's latches have been opening and closing hundreds of thousands of doors all around the world.

Functions

- **Passage:** Latch operates by knob or lever from either side of door.
- **Privacy:** Push pin provided for privacy inside room. Emergency release hole for outside room. Emergency release key also provided.
- **Single Dummy:** Trim on one side of door only. Available for surface mounting. Knob or lever with rose.
- **Pair Dummy:** Two single dummies.
