## Point Dume™ - Shearwater

The Shearwater hanging lanterns embody Jeffrey's love of easy coastal living. For a more California look, Jeffrey offers a white lantern with his signature Maliblu accent as a pop of color in the roof of the fixture that combines with clear glass and a handsome brown stitched leather handle. This family of fixtures is part of Jeffrey Alan Marks Point Dume™ lighting collection which celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences.
