## Point Dume™ - Moonrise

Quintessential JAM, Moonrise is an ethereal globe fashioned of Antique Nickel and marbled white glass. With a nod to its vintage ancestry, this simple style statement manages to defy time and live quite happily in the present. Jeffrey recommends the simplicity of Moonrise's round silhouette the perfect choice when the design calls for multiples. This fixture is part of Jeffrey Alan Marks Point Dume™ lighting collection which celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences.
