Point Dume™ - Onshore

Continuing Jeffrey's modern take on light and movement, the Onshore series combines some of his favorite materials and finishes. The Onshore group is a fresh and uplifting choice for casual living. The Onshore swing arm wall sconce in Brushed Brass has a three-tiered white enamel shade that complements this lifestyle. This family of fixtures is part of Jeffrey Alan Marks Point Dume™ lighting collection which celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences.
