

Please go to [www.quoizel.com](http://www.quoizel.com) for product cleaning tips. Go to the **Care + Maintenance** selection.

**Tools Required:** None.

**Bulb Recommended:** (1) A19 Medium Base Bulb 60W Maximum, bulb not included.

**Estimated Assembly Time:** 20-30 minutes

**Preparation:** Identify and inspect all parts before beginning installation. Check package content list and diagrams below to be sure all parts are present. If any parts are missing or damaged, do not attempt to assemble, install, or operate the fixture. Contact your original place of purchase.

### **⚠ Warnings and Cautions**

Turn off electricity at circuit breaker or main fuse box before installation. Consult a licensed electrician if in doubt.

These instructions are provided for your safety. It is very important you read them completely before installing the fixture. We strongly recommend that a licensed, professional electrician perform the installation.

Disconnect fixture from power source before replacing bulbs. Make sure bulbs are given sufficient time to cool before removal.

### **⚠ Care of Tiffany Style Shade**

A new tiffany lamp shade has an oil film applied to the shade that protects the tiffany shade from scratches during shipment. If the oil applied is too heavy you can remove the excess oil film with a paper towel. Gently wipe away the excess oil.

For general cleaning of tiffany shades use a gentle lemon oil-based furniture polish applied to a soft cloth and wipe gently.

If a white powder appears on the soldered joints of the tiffany shade this is a normal oxidation process. Use a small amount of lemon oil or mineral oil applied directly to oxidized areas and the soldered area will return to like new.

- A. Insert the bulb onto the socket and screw snugly into place.
- B. Attach the Fixture Hood onto the Base and secure with Lock Screws. Hand tighten until snug.

Your fixture is now assembled and ready to use. Enjoy!
