HOW THE BOOK WORKS

Fixtures in the first half of this catalog are grouped into “families” that follow a common design theme to help you shop according to the style of the fixture that you want. Each fixture family has a name and is often shown with one of our ceiling fans that compliments the style or finish of the fixture family. Quorum’s complete range of ceiling fans can be found in our 2019 Ceiling Fan catalog or online at QuorumInternational.com

Fixtures in the second half of this catalog are grouped by “type” to help you shop according to the application for the fixture that you need: chandeliers, bathroom vanity fixtures, outdoor lighting, etc.

DIFFERENT BY DESIGN

Exceptional design is impossible to ignore. When perfectly executed, it breaks through the mundane and captivates the senses. It's something we take very seriously at Quorum International.

That's why our products are designed in-house by our award-winning industrial design team. And once our products are designed and manufactured, we offer them to our Authorized Quorum Distributors who, in turn, provide them to customers who appreciate the innovation, value and workmanship that go into each fixture.

Headquartered in Fort Worth, Texas, Quorum leads the industry in service, quality and style, and we are honored that our distributors and customers continue to rely on us for those very things.

Please enjoy our catalog and we look forward to providing you with beautifully functional and inspiring products.

Be sure to look for the upcoming Quorum Summer Supplement that will be available in June 2019 introducing all new designs!
