

Sedona Round Gas Fire Table

Finish Available: Buff

With a durable, natural looking flagstone top and a faux stacked stone base, this fire table will create a dramatic focal point and cozy gathering place for any outdoor living space. The Sedona Round Fire Table, made of fiber-cast concrete, offers warmth and ambience with a maximum of 65,000 BTUs of heat. Features include push button ignition, leveling feet, lava rock filler, protective cover and Natural Gas conversion kit. Complete your outdoor space with a matching tank cover that conceals your LP tank and can double as a side table. Accent further with coordinating propane fire column. Tank covers and columns sold separately.
