

Deland Electric Fireplace

The Deland Grand Electric Fireplace is a bold take on a classic design with a handsome, elegant style to enhance your home. This fireplace features The Real Flame Grand Series Firebox, which is 30% larger than our standard firebox and has incredible realism and clarity. Provides supplemental heat for rooms up to 1,000 square feet or offers the option to run heatless flames for year-round ambience.

8290E
