

Berthoud Gas Fire Table

The Berthoud fire table is the perfect addition to any patio. With faux stacked stone sides and a powder-coated steel frame, the Berthoud adds warmth and a contemporary style to any outdoor space. This fire table includes a propane tank seat, red lava rock, a metal lid and PVC cover to protect the unit when it is not in use. The Berthoud can be converted to natural gas with the conversion kit, included with the table.
