

La Valle 72" Rectangle Propane Fire Table

JENSEN CO

Clean lines and a rustic finish give The La Valle an industrial edge while the low, modern profile suggests a sophisticated style. Featuring an efficient burner system that produces full, rich flames, this propane fire table can be converted to natural gas with a conversion kit that is sold separately. Choose from a flint or carbon color and complement this fire table with a matching propane tank cover.

- Handcrafted in the USA by our skilled team of artisans
- Made from ultra-durable glass fiber reinforced concrete (GFRC)
- Heat, weather, and rust resistant
- Battery operated electric ignition
- Propane with natural gas option, sold separately
- Includes protective cover, lava rock, and 8' LP hose with regulator
- 2-year limited warranty on the burner and 5-year limited warranty on concrete body
