

VIVIDFLAME
GRAND
SERIES

Merced Electric Fireplace

With sleek, streamlined columns and a faux marble surround, the Merced Electric Fireplace will bring a touch of modern elegance to your home or office. Exclusively designed, the VividFlame Grand Electric Firebox is 30% larger than our standard firebox and mimics the look of a real fire, but does not require a chimney or vents. Features include infrared LED flame technology, five flame brightness settings and six thermostat settings. With a heat output of 5,000 BTUs, this indoor fireplace provides supplemental heat for rooms up to 1,000 sq ft. The heater can also be turned off so you can enjoy the comforting ambiance of your fireplace year-round.

Available finishes: Black or White
with White faux
marble surround
