## ITEM NO: 14-1004 Arc Floor Lamp with Fabric Shade

### ASSEMBLY INSTRUCTIONS

1. For ease in unpacking, open the top and bottom of the box and remove the styrofoam inner packing. (Note: The styrofoam packaging is either 3 or 4 layers thick with each layer holding different parts of the lamp.) Carefully remove all parts from box and remove all plastic covering from lamp parts.

2. Attach Base to Pipe 1, pull out the cord.

3. Attach Pipe 2 to Lamp Body.

4. Install the Shade onto the Socket, tighten it by installing Socket Ring.

5. Insert the appropriate bulb into socket. Please note that the Hi/Lo switch is not compatible with LED bulbs. If using an LED bulb, the lamp can only operate on Hi setting.

6. Insert the polarized plug to wall outlet, turn on switch and enjoy your new lamp.

### CLEANING AND CARE:

Use a soft cloth only, do not use any chemical or abrasive cleaners.

### IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one-way. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

Made in China
