Drying Rack Drawer

Do you need a drying solution for your laundry room? The 4WDR drying rack is one of the most sought-after solutions for flat or hang-to-dry clothing. The complete drawer system installs into your existing cabinet; you only need to attach your drawer front. The rack is easy to access and use. Open the drawer and unfold the arms for up to 18 linear ft. of drying space. With two positions of placement, you can flat or hang dry items on the rust-resistant stainless steel rods.
