Tube-in-Fin R-410A MH Indoor (Evaporator) A-Coils

Sweat Fit Coil

AccuCharge® Coil

Coil Accessory Kit

Designed Exclusively For Manufactured Housing with optimized airflow and compatibility with most new and existing MH furnaces, which makes these the perfect choice to complete a home-comfort system.

Most Compatible Line of indoor evaporator coils in the industry; already AHRI-matched with many popular condenser brands and models, including heat pumps. Check out our website.

Pre-Installed TXV and Sensing Bulb for quicker installations, suitable for ACs & HPs, including a built-in strainer for longer service life.

Code-Compliant Drain Pan with a 2-opening design to prevent standing water that can adversely affect air quality and health. A metal drain pan is available to special order, recommended for oil upflow applications.

UL-Listed And Leak Tested to 500psig for construction-safety and quality, giving the homeowner peace of mind.

Coil Accessory Kit Included to avoid nuisance return trips to the service truck or supply house for parts that are commonly field-supplied.

Dependable Warranty handled directly by Style Crest's dedicated HVAC Team, offering the most competitive warranty coverage and service in the Manufactured Housing Industry.

Quick-Connect AccuCharge Coils can significantly reduce the time, initial cost and skill-set needed to install a split system.
