

Tankless accessories

Finish and Appearance

Outdoor Recess Boxes
Recess boxes enhance an outdoor installation by protecting the tankless unit from damage and tampering. It also provides additional protection from extreme weather. These boxes come in a grey finish and can be painted by the customer.

Cosmetic Pipe Covers
Pipe covers enhance an indoor or outdoor installation by concealing the piping beneath the water heater. It provides protection from tampering and weather conditions. These covers come in a grey finish to match the tankless heater.
Dimensions: Width and depth of the heater, all are 16½" tall.
