

Clothes drying system Ceiling mounted

Great space saving solution!

Applications

- Ideal for closet, laundry room, bathroom, or any other room of the house where space has to be optimized.
- Simply mounted to the ceiling

Advantages

- Simple to install (screw on to the wall)
- Pole can be pulled down to desired height for use, and can be stored when not needed.
- Maximum 8kg (18lb) of clothes or laundry can be hung at one time (approx. 26 sleeved shirts)
- No need to bring and store large cumbersome laundry drying racks.
- Made of ABS and steel.
- Comes in white.
- Pole can be extended on both sides in the width.

Description

This ceiling mounted clothes drying rack system is the ideal solution, when it comes to optimize space in a small laundry room, bathroom, or even in the kitchen in smaller apartments. Easy to install. Pull out the pole and create an instant indoor drying room. Once closed, the rack takes really a minimum of space.
