

REFLET™ BATH COLLECTION

Shown with Victoria + Albert® Corvara™ Freestanding Bathtub, Victoria + Albert® Corvara™ Lavatory Sink

The simple yet distinctive shape of the Reflet™ Collection is intended to reflect the contrast of water. The design encapsulates a soft wavy surface embedded within a rigid frame, balancing the elegance and the power of water in one single collection. This duality is enhanced through the combination of brushed and polished surfaces that conjure the myriad textures created by water as it sculpts, polishes and erodes the materials around it.
