28 COMPARISON CHART

SAFETY

Designed to mount seamlessly and securely into your Robern cabinet, the IQ™ Digital Lock Box features improved technology to keep your most important items secure. Keep personal items, valuables, and medication safely hidden away from young hands and prying eyes for complete peace of mind.

INTRODUCING IQ™ DIGITAL LOCK BOX

PEACE OF MIND

TOUCH KEYPAD

Protect personal items, like prescription medications, with a passcode for secure access.

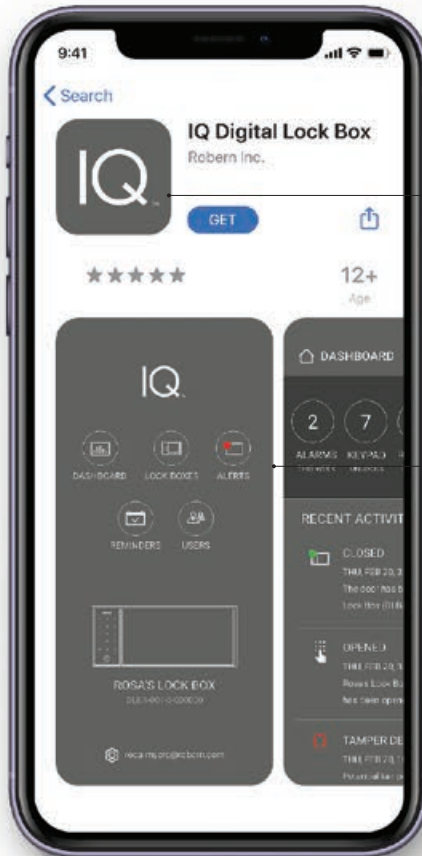

KEYED ENTRY

A physical key can be hidden for backup, to ensure access when it's needed.

TOTAL CONTROL

The IQ Digital Lock Box app offers intelligent monitoring, scheduling, and notifications — no matter where you are. Simply install the app on your smartphone or sign into the IQ Web Portal for on-the-go access. Monitor multiple lock boxes, schedule reminders, unlock remotely, and get real-time alerts when the lock box is accessed.

IQ APP

Monitor multiple lock boxes and unlock remotely using the IQ smartphone app.

NOTIFICATIONS

Schedule medication reminders and receive notifications when lock box activity takes place.

ATTENTION TO DETAIL

The IQ™ Digital Lock Box is complementary to the gray hue within the interior of Robern cabinets, so it blends seamlessly for inconspicuous storage. A built-in anodized aluminum shelf matches the cabinet interior, while the water-resistant exterior helps protect your products, medications, and valuables from moisture.

SUPPORT

With key code entry and remote access via smartphone, the IQ Digital Lock Box gives you total control over your personal items. Set medication reminders, get usage updates, and receive alerts if tampering is detected. Support is available at support@robern.com.

STORAGE

Create a well-appointed storage solution that complements your design and keeps your styling space clutter-free. Upgrade your cabinet with inspired organizational accessories that store your essentials out of sight, but within easy reach.

GLASS BINS AND ACCESSORY TRAYS

Keep loose items from spilling out of the cabinet or rolling around the vanity with glass bins and accessory trays. Glass and aluminum construction make them ideal for high-moisture environments, while maximizing storage. Both are easy to clean, removable and long lasting.

GLASS BINS

Organize cotton balls, swabs, hair accessories, and bath necessities in 100% recyclable and reusable glass bins.

Store all your small items in your Quick Caddy for a well-organized styling space.

When getting ready for your day, pull out the Quick Caddy for easy access.

Close the door to continue using the mirror while having your tools close at hand.

PORTRAY™ QUICK CADDY

With five compartments to keep smaller tools and accessories organized, the Quick Caddy keeps the items you use every day — like cosmetic brushes, cotton swabs, and toothbrushes — within easy reach so they won't roll onto the wet countertop or the floor. Use the swivel feature to rotate the caddy outside the cabinet, then simply close the door for access to your exterior mirror and must-have items.

Easily remove caddy from the swivel mechanism to use as a standalone countertop organizer or to clean.
