

## PLWM WALL MIRROR

### General Notes

- Unpack the mirror. Check the box thoroughly for all hardware and loose parts as follows:
  - Mirror
  - Hardware Bag
- Improper installation voids the warranty. Installed mirrors cannot be returned.
- If you experience any problems with your mirror, contact your dealer or Robern directly.

### Limited Warranty One Year Term

ROBERN warrants to the original purchaser that, it will, at its election repair, replace, or make appropriate adjustment to products made by this company shown to have significant defects in material or workmanship which are reported to ROBERN in writing within one (1) year from the date of delivery. ROBERN is not responsible for installation costs.

The warranty is void in the event the product is damaged in transit, or if damage or failure is caused by abuse, misuse, abnormal usage, faulty installation, damage in an accident, improper maintenance, or any repairs other than those authorized by ROBERN. At the expiration of the one year warranty period, ROBERN shall be under no further obligation under any warranty, expressed or implied, including the implied warranty of merchantability.

ROBERN shall not be liable for any consequential damages arising out of or in connection with the use or performance of its products. Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Any liability against ROBERN under any implied warranty, including the warranty of merchantability, is expressly limited to the terms of this warranty. Permission to return any merchandise under this warranty must be authorized by ROBERN and returned prepaid by the purchaser. Claims under this warranty should be sent directly to your dealer.

### 1. Selecting Location

Carefully select the mirror location, keeping in mind the following:

- Locate center of area where mirror is to be hung. Mark on wall.
- Place the two "Z" clips on the wall as shown.

### 2. Final fit up and care of your PLWM Wall Mirror.

- If the mirror needs to be repositioned slightly, adjust "Z" clips up and down to level.
- Peel the paper backing from the 2" x 2" adhesive pads and place them under the bottom of the mirror as shown below.

Tilt the bottom of the mirror slightly so that the pads can be placed within 1/2" to 1" of the bottom and side.

Press the mirror firmly into the pad. Be sure mirror is correctly seated on clips and in the proper position before securing pads.

- Under no circumstance should an ammonia based cleaner be used on mirrors. Use only a lint free polishing cloth slightly dampened with water or rubbing alcohol if necessary to remove stubborn stains. Use damp cloth only on wood frame.
- Please refer to the parts list below to correctly identify all parts.
