

# ROHL®

## GRACELINE® KITCHEN COLLECTION

The Graceline® Collection takes its name from the glamorous ocean liners of the 1930s. This was the time of luxury travel, as expressed in Streamline Design. Renowned designer Michael Berman exquisitely brings the essence of the age to his Collection created specifically for ROHL®. Sleek horizontal lines and nautical elements complement cylindrical forms to convey motion and modernity. Attention is paid to details like the rounded angle of the neck and knurling crosshatch on the spout. Together, all elements elevate industrial design for the kitchen with contemporary elegance.
