

Adding metropolitan style with an Asian flare to the bath is what the Horizen Collection is all about.

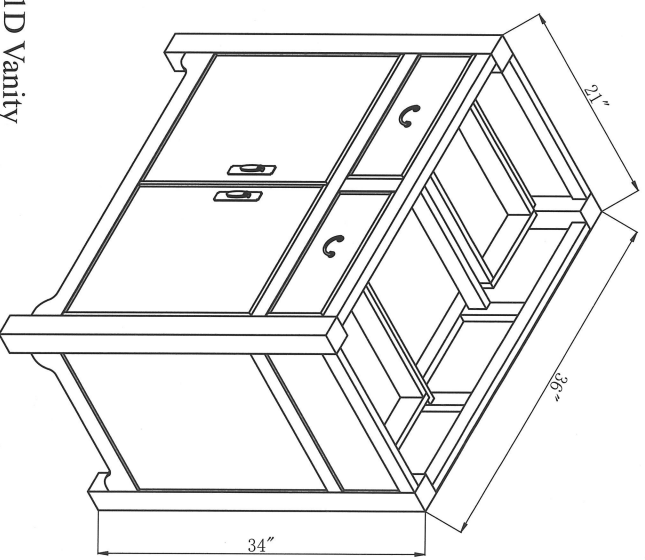

Crafted from ash solids, ash veneers, and dramatic olive ash burl, this vanity collection from Sagehill Designs exemplifies balance and harmony.

Accented by clean lines, soft veneer effects, a lustrous finish, and jewelry like hardware gives these vanities subtle dimension. Combined with the accenting mirror, the overall effect of these cabinets is one of bowing to the best of the past and welcoming in the future.

As always, Sagehill Designs brings you the best in design, the quality construction and finishing you expect, and always keeping an eye on value.
