SAMSUNG

The Cube Air Purifier

Signature Features

Wind-Free™ Air Purification

- Under 18 dB(A), the Cube's purification system is quieter than a whisper and releases clean air without annoying noise or a cold draft.

True HEPA Filtration System

- The Cube's 3-stage True HEPA filtration system effectively removes 99.97% of ultrafine dust, allergens, and bad odors.

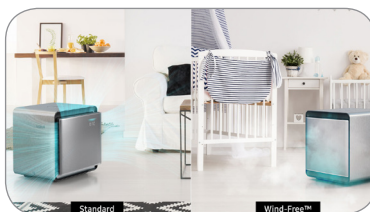

Air Quality Sensor

- Best-in-class laser monitors air particles in size, and the easy view display provides instant air quality feedback.
