## 26 cu. ft. French Door Refrigerator with External Water and Ice Dispenser

### Twin Cooling System®:

Twin Cooling System® uses two evaporators with only one compressor to independently control the temperature in the refrigerator and freezer compartments to maintain proper humidity levels and prevent odor transfers between compartments.

### Surround Air Flow:

Provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

### Power Freeze and Power Cool Options:

Adjusts the temperature quickly when the refrigerator or freezer compartment needs to be cooled due to repeated door openings.

### Cool Select Pantry™:

Provides additional temperature control for your food storage needs with Fresh, Chilled and Deli options.

### External Digital Display and Control:

Controlling the refrigerator is easy with the external digital display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

### Water Filter:

Samsung's external ice and water dispenser provides filtered water and ice without sacrificing your interior space.

### Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.
