

Top Mount Hangers

Schlage Sliding Barn Door Hardware with Top Mount Hangers add a stylish architectural touch to any home. Sliding doors add privacy to open doorways and save space by preventing swinging doors from opening into walkways. Top mount hangers give the door a cleaner, more stylish look by attaching to the top only rather than the face of the door.

Use a Schlage Sliding Barn Door Track Adapter to combine two kits for bi-parting doors or larger openings.

Shown in Satin Nickel

FEATURES

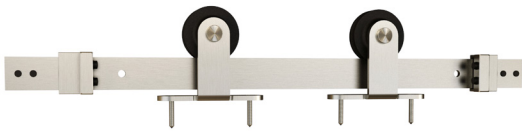

- Affordable way to add privacy and style to open doorways
- Complete kit with easy-to-install mounting hardware and detailed instructions
- Durable steel construction meets highest industry standards with limited lifetime warranty
