

ULTRA WIDEBAND

Schlage Sense Pro™

SMART DEADBOLT

The **Schlage Sense Pro™ Smart Deadbolt** delivers precise hands-free unlocking, giving premium security with cutting-edge convenience. With multiple access options, including hands-free unlocking, tap to unlock with Apple home key, key code entry, one-touch locking and remote management through the Schlage Home app, it's more convenient than ever to come and go with ease.

FEATURES

- Schlage Converge™ technology uses Ultra Wideband to calculate a user's speed, trajectory and motion to the door. Once Schlage Converge confirms the user's intent to enter, their Sense Pro™ will unlock precisely as they reach their door.
- Schlage Converge gives Sense Pro exceptional accuracy for smarter security, unlocking only when a user is at their door and ready to enter; Experience reliable hands-free unlocking that combines ultimate convenience with trusted security
- Works with Matter; Requires a Thread-enabled home hub [Apple TV 4K, Home Pod (2nd Gen) or Home Pod Mini] for iPhone/Apple Watch pairing; Easily pair devices and integrate with a smart home ecosystem to control the lock with voice and set up automated routines

BE889 - SCHLAGE SENSE PRO™ SMART DEADBOLT
