

A photograph of a bedroom. In the foreground, a bed with a grey and white patterned duvet is partially visible. In the background, a window with dark blue curtains looks out onto a city building. To the right, a white door is shown with a silver cylindrical door handle. The handle is mounted on a circular silver trim plate. The door has a glass insert at the bottom, showing a glimpse of another room with a yellow chair.

Broadway lever

The minimal, tubular design of the Broadway lever offers a tastefully reserved, yet high-style look.

A truly unique design, the Broadway lever features a flat face whose hard edges soften into a smooth, cylindrical handle.

FEATURES
