

# SCHONBEK

1870

Infinite Aura is a lighting experience like no other, inviting you into a world of wonder between reality and illusion. Combining exquisite craftsmanship, cutting-edge technology and innovative design, the collection conjures a vision of infinity that celebrates the human imagination and eclipses the ordinary limits of the mind.

The Infinite Aura collection pays homage to the iconic chandelier while being relevant to the modern home and lifestyle. It signals a move into new interpretations of light and design using the emotive medium of crystal.

# INFINITE AURA

---

## Functionality

The Infinite Aura fixtures will now feature on/off switch functionality. Once the fixture is turned on, it will defer to a color temperature of 3200K.

## About Infinite Aura

The Infinite Aura Collection, designed in collaboration with award-winning global design and innovation consultancy IDEO, continues to be an innovative lighting design element that also serves as a truly remarkable work of art. Crystals from Swarovski have been thoughtfully incorporated throughout each fixture with the interaction of crystal and light delivering an interactive experience for the customer.
