

# Calliope

## S5703

### LINE DRAWING

### DESCRIPTION

Transform any setting into an enchanting realm with the Calliope. Candlesticks crafted from faceted Optic Crystal columns are brought to life by the tender glow of concealed LEDs, casting a romantic aura that dances both above and below. Exquisitely wrought metallic arms gracefully unfurl in a sinuous, artful embrace, culminating in a majestic central column accented with spears of Optic Crystal whose sparkling facets catch and reflect the light.

### FEATURES

- Beautifully handcrafted wrought metal arms hold three illuminated optic crystal candlesticks.
- Built in color temperature adjustability. Switch from 3000K/3500K/4000K. Switch may be installed in junction box.
- Driver concealed within the fixture
