

Calliope

S5710

LINE DRAWING

DESCRIPTION

Transform any setting into an enchanting realm with the Calliope. Candlesticks crafted from faceted Optic Crystal columns are brought to life by the tender glow of concealed LEDs, casting a romantic aura that dances both above and below. Exquisitely wrought metallic arms gracefully unfurl in a sinuous, artful embrace, culminating in a majestic central column accented with spears of Optic Crystal whose sparkling facets catch and reflect the light.

FEATURES

- Exquisite Optic Crystal candlesticks are illuminated by built in color temperature adjustable LED technology.
- Beautifully handcrafted wrought metal arms surround a dense center column.
- Optic Crystal spikes elegantly protrude from the top and bottom creating an exquisite dance of light.
- Driver concealed within the fixture
