

La Motte

SW34521

LINE DRAWING

DESCRIPTION

La Motte is a classically inspired outdoor wall lantern that exudes timeless elegance with its old-world charm and luxurious details. Ornamental beading accents the gable at the top, while finial-style balls adorn each corner of the roof. The slightly tapered frame features a hinged clear glass door, revealing a trio of candles mounted on the back wall. A simple, incised round mirror enhances the warm glow, creating an inviting ambience.
