R-1214

Introducing Sharp's unique Over the Counter® microwave oven with Smart & Easy® sensor technology for cooking or reheating 11 of the most popular microwave treats. This OTC® microwave is the smarter kitchen design solution that saves valuable counter space. It provides a wide range of options for placement, works with standard cabinet sizes and does not require a built-in kit or shelf, allowing for an easy installation. And it comes with under cabinet task lighting. So smarten up your kitchen design with Sharp's intelligent Over the Counter microwave oven. It's an ideal space saver that will give you more counter space and more cooking space!

Available in Stainless Steel: R-1214, White: R-1211 and Black: R-1210.

Features:

New Design for New Locations means easy installation of a sleek, elegant microwave wherever food is prepared.

Smart & Easy® Sensor Settings for 11 most popular microwave foods. No need to set times or power levels - eliminates guesswork!

Auto-Touch™ Control Panel is conveniently located underneath the oven's door. Users can easily select features, power levels and times. The controls are easy to see and simple to use.

Interactive Cooking System with Custom Help® includes options for English, Spanish or French.

Defrost Center automatically sets defrosting times and power levels for meats and poultry by weight.

Minute Plus™ gives users one minute of High cooking at a touch.

Keep Warm Plus lets you keep hot foods hot up to 30 minutes after cooking is finished.

Popcorn Sensor pops popcorn automatically regardless of package size or brand.

Hot Water heats one to six cups for making tea, cooking pasta and more.

Instant Action™ Keys make microwaving easy! Touch once for each serving up to eight. Oven starts automatically.
