

RK-51S30

30" Built-In Kit

Product Information

The Sharp RK-51S30 30" Built-In Kit, in stainless steel, provides stability and support for Sharp microwave ovens as well as an attractive custom fit for your cabinets. It converts Sharp R-530ES and R530BS microwave ovens from countertop units to built-in units, freeing up counter space.

- Stainless steel 30-inch built-in kit
- Transforms Sharp R-530ES and R530BS countertop units into built-in units
- Adds support and stability to microwave once installed
- Blends microwave into the surrounding cabinetry for a more attractive façade
