Sharp's line of air conditioners provides cool comfort all summer long. Sleek and stylish, they will fit into your home design beautifully, while enhancing your decor. Sharp's air conditioner line is too cool to pass up.

### Features:

**Rest Easy® Remote** enables you to turn the unit on or off, adjust the temperature, change the fan speed, or set the timer with the touch of a button.

**Comfort Touch® Controls** – Convenience is standard with Sharp's user-friendly Comfort Touch controls. With a 24-hour on/off timer feature and one-degree temperature control increments, there's virtually no more temperature guessing. Simply set the controls and forget about it!

**Easy Access Washable Filter** allows for easy removal and cleaning.

**4-Way Air Direction** lets you direct the cool air where you want it most.

**Energy-Save Mode** – When the optimal temperature is met, the fan and compressor stop.

**Auto-Cool** adjusts the fan speed in response to the cooling demand for powerful cooling when the demand is high, and quiet comfort when the demand is low.

**R-410A Refrigerant** – These models utilize an ozone friendly refrigerant.
