

6" ADJUSTABLE WAFER DOWNLIGHT

L12-DLR6-27/50-D-ADJ

OVERVIEW

Simply Conserve's field-adjustable wafer downlight provides the same installation benefits as standard wafers but includes field adjustability of color temperature from 2700K to 5000K, simplifying SKUs. The downlight can be easily installed in new construction, remodel, and retrofit projects. Wet-location rating allows the light to be used outdoors as well as indoors.
