

PRODUCT DESCRIPTION

Expertly stitched leather shades are bound by brass finials in a folded shape that is radially asymmetric. These black leather shades obstruct LED lamping to create ambient indirect lighting and pair well with the Naturally Aged Brass frames that feature a smooth, chestnut leather wrap detail. The shades on the expansive two-light pendant are adjustable to provide function on its oversized width perfectly chic over a dining table, bar, or kitchen island. The wall sconce option is designed for both portable pin-up mounting or hardwired applications and single pendants are available in two sizes. The Cavalier lighting collection exercises Mat Sanders' talent for understated elegance, where the lighting products stand out in their unassuming details.
