

# BKRF661BIADA

32.25" x 23.63" x 23" (H x W x D)

Built-in undercounter ADA compliant break room refrigerator-freezer in white with NIST calibrated thermometer and alarm

**Highlights:**

- 32" height allows installation under lower ADA compliant counters
- High/low temperature alarm warns of fluctuations outside the specified temperature range
- Includes a factory-installed NIST calibrated thermometer to provide a continuous temperature display

**Product Features:**

|                                |                                                                                                                                                                 |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA Compliant                  | Sized at 32" high for use under lower ADA compliant counters                                                                                                    |
| Slim counter height dimensions | Ideal 24" footprint offers full 5.1 cu.ft. storage capacity in a slim fit                                                                                       |
| Built-in capable               | Make the best use of space by installing your appliance under the counter and flush with other cabinets                                                         |
| NIST calibrated thermometer    | Thermometer provides an external readout of the current and high/low refrigerator temperature to the nearest tenth of a degree                                  |
| High/low temperature alarm     | Audible alarm sounds if the refrigerator interior temperature rises or falls out of set range                                                                   |
| Cycle defrost                  | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment      |
| Dual evaporator cooling        | Our unique and efficient design separately cools the refrigerator while maintaining a lower temperature in the freezer compartment by utilizing two evaporators |
| Adjustable glass shelves       | Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up                                                   |
| Fruit and vegetable crisper    | Get the longest life and best taste out of produce by storing it in a convenient slide drawer                                                                   |
