

# SINC2B231W

1.88" x 11.38" x 20.5" (H x W x D)

3500W 208-240V 12" wide 2-zone built-in induction cooktop in white glass with touch controls

## Highlights:

Smooth EuroKera surface made of durable, low maintenance white glass

Advanced safety features include automatic shutoff, overflow protection, child lock, and residual heat indicator light

Instantly heats to cook in half the time of standard gas and electric elements

## Product Features:

|                        |   |
|------------------------|---|
| Induction heating      | Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience |
| 3500W operation        | Powerful elements with fast heating to meet most stovetop cooking needs   |
| EuroKera glass surface | Easy cleanup and elegant style on a smooth ceramic glass surface in a clean white finish  |
| Large rear element     | 8 1/4" element operates at 2000W for fast, powerful heating   |
| Standard front element | 6 1/4" front element operates at 1500W to cover most general cooking needs  |
| Timer function         | Allows you to program either burner to heat at a specified level for up to 99 minutes and either turn off when finished or display a countdown with an audible alert when the time is up  |
| Safety cut-off         | If the cooktop on/off switch is touched but no power level is selected within one minute, the cooktop automatically turns off   |
| Child lock             | Safety feature lets you lock the cooktop to prevent unsupervised heating  |
| Overflow protection    | Power will automatically shut off if boiling liquid or a wet cloth touches the control panel  |
