

# CM42PL

32.63" x 18.88" x 19.88" (H x W x D)

19" wide counter height manual defrost refrigerator-freezer in a stainless steel look

**Highlights:**

- Made in Europe
- Compact size with a slim 19" width fits well in small kitchens, hotels and offices
- Adjustable wire shelf, three door racks, and large crisper drawer for optimum storage

**Product Features:**

|                                       |                                                                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| 19" Wide Compact Refrigerator-Freezer | Slim-fitting refrigerator with freezer compartment for easy storage in hospitality settings                                                           |
| Stainless steel look                  | Unit has a stainless steel-like silver finish with a vertical grain on the door                                                                       |
| Manual defrost                        | Static cooling system with no fans or warming cycles                                                                                                  |
| Freezer compartment                   | Interior freezer compartment offers convenient storage for ice packs and ice cubes                                                                    |
| Adjustable wire shelf                 | Rearrange the refrigerator space to fit any sized item or remove wire shelf for simple cleanup                                                        |
| Adjustable thermostat                 | Dial thermostat located inside for easy temperature management                                                                                        |
| Summer/Winter function                | Enhances cooling performance year-round, adjusting operation for hot or cold environments to ensure consistent and optimal refrigeration and freezing |
| SuperFreeze function                  | This setting is ideal for freezing fresh foods quickly. Function overrides current thermostat controls to ensure compressor operates continuously     |
| Crisper drawer                        | Removable clear drawer ideal for organizing non-perishable items                                                                                      |
