

## Discover the Casual Nature of the Branden Kitchen Collection Exclusively from **Sunny Wood**.

The Branden collection will confirm your good taste with its thoughtful design features and casual finish treatment. Each piece is crafted in the tradition of fine home furnishings and finished with a multi-step, hand-detailed finish that Sunny Wood is known for. Select alder solids and veneers have been chosen to bring out the unique character of the collection.

Featuring full-overlay doors and drawers, ample storage options, and practical functionality allows the Branden collection to highlight your kitchen's interior and your own personal style. Durable plywood construction has been utilized for both the cabinet sides and drawer boxes ensuring that these cabinets will continue to provide lasting value and function.
