

“X” Console Table

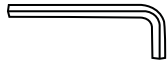

DEAR CUSTOMER,

Congratulations on your purchase of this SVLK certified Teak Table! Please unpack the carton and check that you have all components.

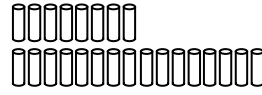

LIST OF HARDWARES:

12x Allen Bolts

1x Allen Key

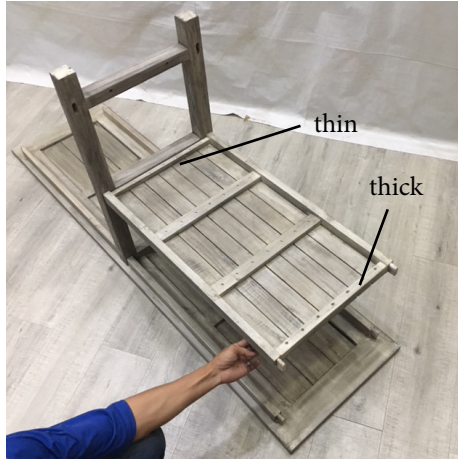

24x Dowels

STEP 1/6

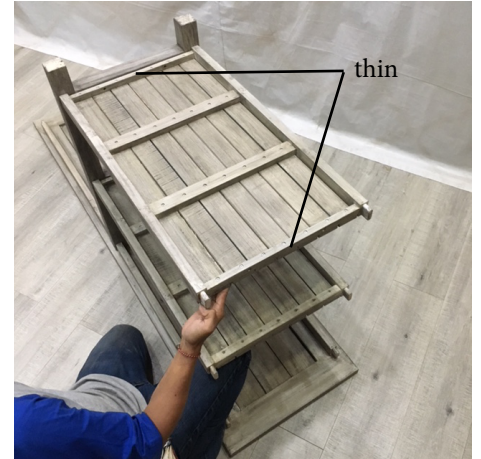

Lay Top section upside-down flat on level surface (preferably on soft surface). Then, slide in the middle leg section into the top, as shown.

STEP 2/6

Insert middle rack section into the middle leg section, as shown. Note that the middle rack section is different than the lower rack section.

STEP 3/6

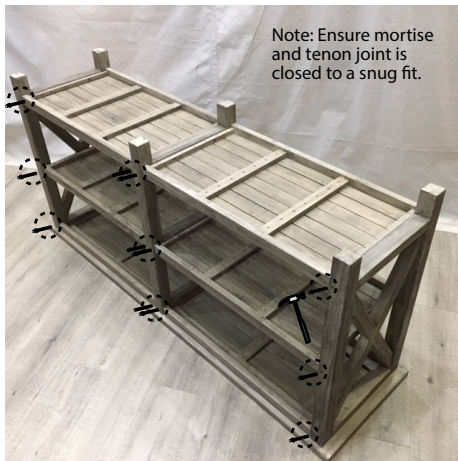

Insert lower rack section into the middle leg section, as shown. Note that the lower rack section is different than the middle rack section.

STEP 4/6

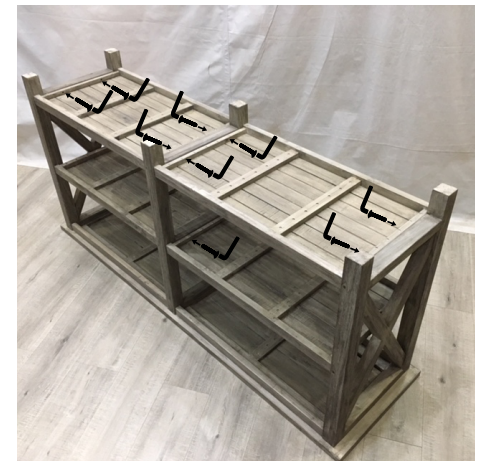

Insert the outer leg section into the construction, as shown. Repeat step 2-4 for the other side.

STEP 5/6

Insert dowels by using a hammer to tap them completely into the holes, as shown. Repeat step for the other side.

STEP 6/6

Insert and tighten Allen Bolts with the Allen Key to strengthen the construction. Two each required on both sides of the lower rack and two each on inner side of the middle rack.
