

DESCRIPTION

Captures light in motion. The sleek metal surface is laser-cut with several horizontal cutouts which allow light to shine through the inner white case glass diffuser. Includes lowvoltage, 50 watt halogen bi-pin lamp or 6 watt replaceable LED module and six feet of field-cuttable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
