

### DESCRIPTION

A delicate artisan process creates a thick glass band on the interior of the hand-blown teardrop-shaped shade of the Mini Ella pendant light from Tech Lighting. When lit, the serene beauty of this elegant pendant is enhanced by the contrast of the opal glass diffuser. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K replaceable LED SORAA® module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on the transformer). Works with SORAA.

## INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
