

Sopra Ceiling

DESCRIPTION

The Sopra ceiling flush mount light by Tech Lighting is unique in that it is highly-customizable with four distinct shade options, each shade options brings character and sophistication to any space. The decorative accessories are illuminated by a downward-firing LED that is hidden within the minimalist socket and canopy. Shade options include a solid pure optic crystal cylinder, the elegant Mina laser-etched crystal sphere, a faceted diamond-like crystal sphere, and a carefully detailed metal optic ring. Further customize the Sopra by choosing from Satin Nickel or Chrome finish options. With a modest scale the Sopra is ideal for living room lighting, home office lighting and bedroom lighting. The Sopra comes with an energy efficient integrated LED lamp, this lamp option is fully dimmable to create the desired ambiance in your any space. Includes 120v 14.5 watt, 172 delivered lumens, 3000K LED module. Dimmable with low-voltage electronic or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
