

LOW - VOLTAGE PENDANTS

Dobson Pendant LED SORAA T20

DESCRIPTION

The Dobson pendant light from Tech Lighting is the perfect marriage between rustic and refined. The large cylindrical metal shade is treated with a special coating to replicate the warmth and texture of real woods and then finished with a sophisticated satin nickel trim. The beautiful treatment on this pendant is further enhanced by three contemporary finishes, brown chestnut, weathered gray oak or white ash. The medium scale and powerful downward firing LED make the Dobson great for bedroom lighting, foyer lighting, and family room lighting spaces. Your choice of incandescent or LED lamping ships with the Dobson making this pendant highly customizable. Rated for (1) Low-Voltage, 50 watt halogen MR16 lamp (Lamp Not Included) (Based on the transformer) LED includes 12 volt 8 watt, 435 delivered lumens, 3000K replaceable MR16 LED lamp and six feet of field-cutable cable. Dimmable with low-voltage electronic dimmer (based on the transformer). Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T-TRAK, order FreeJack version and T-TRAK FreeJack Connector (sold separately).
