

BATH COLLECTION

Metro Bath LED ADA T20

DESCRIPTION

The Metro bath bar light by Tech Lighting is sophisticated and modern in design due to its multi-layer white or white acrylic shade and three on-trend hardware finishes. The Metro bath light can be mounted horizontally above a mirror or mounted vertically flanking a mirror as a wall sconce. Two length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting. Both size fixtures are fully dimmable with your choice of either incandescent or integrated LED lamping to create the desired ambiance in your unique space. Incandescent includes 40 watt, halogen mini-candelabra base lamps. LED includes 25 watt, 1262 delivered lumen, 2700K or 3000K LED module. Incandescent version dimmable with standard incandescent dimmer. LED version dimmable with low-voltage electronic or triac dimmer. ADA compliant. May be mounted vertically or horizontally.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box. For wall mount use only. 12.5" of clearance is needed on one side of the fixture to remove glass when relamping.

WEIGHT

5.5-6lb / 2.49-2.72kg ±
