

LOW - VOLTAGE PENDANTS

Boreal Pendant

DESCRIPTION

The Boreal pendant light by Tech Lighting is the most eco-friendly pendant in our entire collection as it is made from natural hemp fabric and the all natural fabric shade is made with recycled paper backing. The beautiful sand-cast bronze metal work is made from naturally recycled material. With its simple design, contemporary taupe shade color and sophisticated metal hardware, the Boreal is simply stunning and will add class to kitchen islands as task lighting, bedrooms flanking end tables and bathroom lighting flanking a vanity. Customize the Boreal pendant by choosing one of three on-trend finishes. The Boreal ships with your choice of either halogen or LED lamping to save you both time and money. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cutttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

ivory

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
