GENERAL PRODUCT INFORMATION:

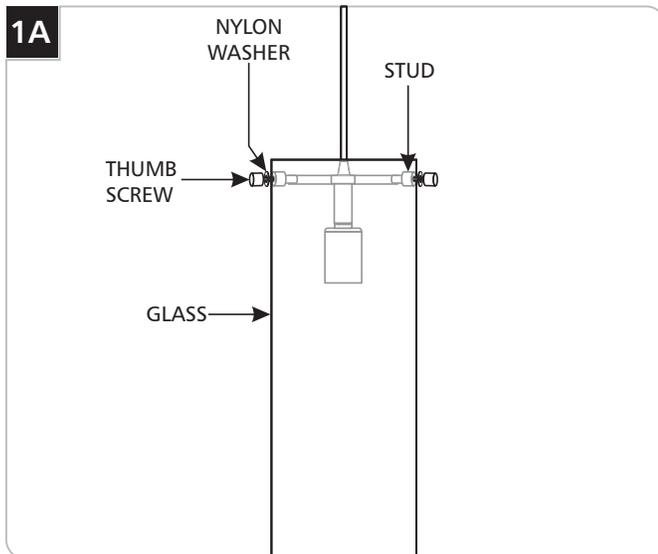

This product is suitable for damp locations.

This product can be dimmed with a standard incandescent dimmer.

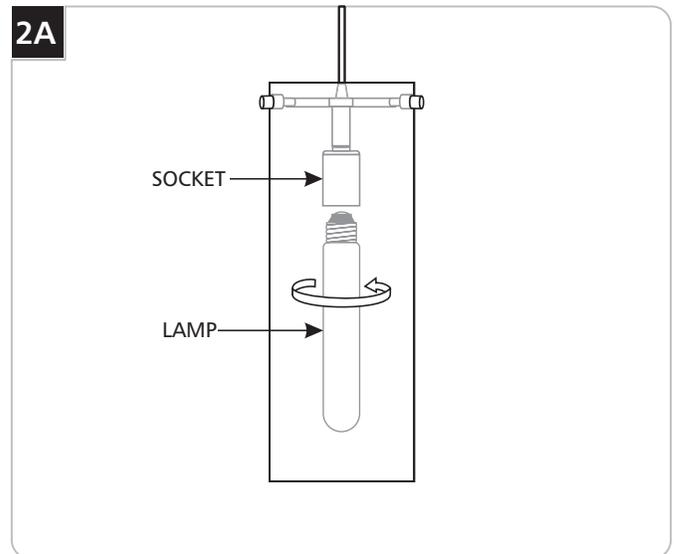

Install the Glass

- 1 Line up the holes in the glass with the arms on the socket base.

Place nylon washers on the thumb screws and screw them into the arms on the socket base.

Install the Lamp

CAUTION: To reduce the risk of a burn or electric shock during relamping, disconnect the power to the fixture.

Use **MAX 30 Watt** Type T9 Classic Edison E26 base incandescent lamp.

- 1 Screw the lamp into the socket.
