

LOW-VOLTAGE PENDANTS

River Rock Pendant Wedge

DESCRIPTION

Inspired by rocks along a river bed and captured through a hand-blown glass process. Please note: the bottoms of the pendants will not hang parallel to the floor. This is by design and part of the natural look and feel we are going after with pieces inspired by the natural world. Includes low-voltage, 35 watt halogen bi-pin lamp and six feet of field-cutable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
