

LOW - VOLTAGE PENDANTS

Playa Pendant

DESCRIPTION

The Playa pendant by Tech Lighting is an elegant multi-toned shade that is composed of natural shell panels that are burnished to remove rough edges. Artisans polish and cut to size the meticulously adhered shell panels to an inner glass cylinder. The Playa is available in three neutral yet modern colors and comes with your choice of four on-trend hardware finishes. The Playa ships with your choice of either an incandescent or LED lamp. The modestly sized Playa pendant is ideal for kitchen island task lighting, bedroom lighting flanking an end table or dining room lighting. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cutable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer) Works with SORAA.

brown

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

ACCESSORIES & OPTICAL CONTROLS
