DESCRIPTION

This modern drum shade is elevated to a richer, warmer dimension with a sophisticated combination of fabric and wood. The bands of wood trim are spline-joined around the circumference of the shade – a delicate feat of quality craftsmanship. The rigid stem is available in antique bronze, polished nickel or satin nickel and completes the look. Includes four 120 volt, 75 watt or equivalent medium base A19 lamps or four 26 watt GX24Q-3 base triple tube compact fluorescent lamps (electronic ballast included). May also be lamped with GX24Q-3 base 32 watt triple tube compact fluorescent lamps (not included). Incandescent version dimmable with standard incandescent dimmer.
